RE: MACHINERY SAFETY REGULATIONS – Rosemor International Ltd
Automatic Escalator Deep Cleaner, Model Number ET15B/T10/T10i

As a recognised source of independent advice on the above Regulations, we have acted for Rosemor International Ltd in ensuring compliance of the above machine with the Supply of Machinery (Safety) Regulations which implement the Machinery Directive 2006/42/EC.

We have assembled the Product Technical Construction File and provided Rosemor International Ltd with a list of recommendations to ensure compliance.

These recommendations have been addressed the installation complies with the Directive and can be CE Marked and can be placed for use anywhere within the EEA.

The HSE recommend that manufacturers sign the Declaration of Conformity for the machine as the manufacturers are the design authority for the machine. However having been appointed to assist Rosemor International Ltd in this undertaking we do confirm the above machine does fulfil the requirements of the applicable Directives

If you require any further information please do not hesitate to contact me.

Yours sincerely

Paul Laidler
Business Director (Machinery Safety)
